(Wait a minute, wait a minute, this would begrade you)

I step with two hands open
And kick the man in front of me
In front of me
In front of me
In front of me
In front of me

Reminded of my father
When will you ever learn?
When will you ever learn?
When will you ever learn?

I found you urinating
You found me interesting
Interesting
Interesting
Interesting
Interesting

Torn raw and feeling sickness
Permit my hypocrisy
Hypocrisy
Hypocrisy
Hypocrisy
Hypocrisy

Feel the thick curtain
While she sleeps

The stench of my breath pains you
But your just smelling yourself
Your just smelling yourself
Your just smelling yourself

My plate shows something rotten
I feel so right at home
I feel so right at home
I feel so right at home

Dress me in mothers clothing
To teach me how to fuck myself
Teach me how to fuck myself

Fracture my arm like you know
The abuse makes it feel right
The abuse makes it feel right
The abuse makes it feel right

Feel the thick curtain
While she sleeps

Feel the thick curtain
While she sleeps
