An overwhelming understanding  
Of chaos brings you to your knees  
Impurities make me the way that I am

The dirt in my veins  
The games on my thoughts  
The stains on your face  
They break it apart

Motherfucking  
Pushing the envelope  
Life sets me off  
Pushing the envelope  
Hate gets me off  
Motherfucking  
Pushing the envelope  
Gets me off  
Pushing the envelope  
Your face it sets me off

I'm curled up inside myself  
So I won't imagine the pictures  
If I had prosthetic eyes  
I still think that I'd see the same

Satisfy retribution in lies  
To resemble innocence in life  
Subsequent afternoon's turning out scared  
Bothered by fallacies everyone's scared

Motherfucking  
Pushing the envelope  
Life sets me off  
Pushing the envelope  
Hate gets me off  
Motherfucking  
Pushing the envelope  
Gets me off  
Pushing the envelope  
Your face it sets me off

(Ah, you don't know what pain is...I am pain!)  
(Ah, you don't know what pain is...I am pain!)

Killing myself like a tool in wrong  
Disquieting changes in direction  
Killing myself like a tool in wrong  
Disquieting changes in direction

(Ah, you don't know what pain is...I am pain!)
