No sense of self  
To balance it off  
Preconceived notions of something  
And everyones gone  
Will I show up  
With all that I have to give  
Would you consider it a gift  
But that  
Doesn't matter anyway  
It doesn't matter anyway  
It doesn't matter anyway you

Liar you're such a liar  
On your hands and knees  
Picking up the broken pieces  
Liar you're such a liar  
On your hands and knees

Afraid to turn my head  
For fear of whats behind me  
Only one resource left  
So don't frattle my suprise  
Is this all you have  
Is that all you know  
I swear I've seen you before  
But that  
Doesnt matter anyway  
It doesn't matter anyway  
It doesn't matter anyway  
It doesn't matter anyway you

Liar you're such a liar  
On your hands and knees  
Picking up the broken pieces  
Liar you're such a liar  
On your hands and knees

Pleasingly - Falling apart  
Pleasingly - Oblivious  
Pleasingly - Falling apart  
Pleasingly - Oblivious

You've left with more of the same  
I can't win  
You've left with more of the same  
I can't win  
You've left with more of the same  
I can't win  
You've left with more of the same  
I can't win

You're such a liar  
Liar  
Liar  
Liar  
You're such a liar  
Liar  
Liar  
Liar
