Was it mine?  
The lips that lie  
Is it true?  
The lace that tears  
Is it skin?  
The line that binds  
Is it real?  
The face that smiles  
Is it yours?  
The fall that kills  
Is it dead?

To control the mannequin  
Your wrists will shake  
Without circulation  
Your face will twitch

To control the mannequin  
Your wrists will shake  
Without circulation  
Your face will twitch

Do you feel  
Better than me?  
Do you taste  
Better than me?

The prey that hunts  
Was it found ?  
The people die  
Is it right ?  
The place is lost  
Will it turn ?  
The guilt that hurts  
Will it change ?  
The guess that shames  
Will it smile ?  
The game that plays  
Does it hurt ?  
The fail that's right  
Does it taste ?

The fuck that hates  
Do you care ?

To control the mannequin  
Your wrists will shake  
Without circulation  
Your face will twitch

To control the mannequin  
Your wrists will shake  
Without circulation  
Your face will twitch

Do you feel  
Do you feel better than me?  
Do you taste  
Do you taste better than me?

Did you get what you wanted?  
Wanted  
Did you get what you wanted?  
Wanted  
Did you get what you wanted?  
Wanted  
Did you get what you wanted?  
Wanted

To taste acid  
To taste guilt  
To taste shame  
To taste hate  
To taste death  
To taste black  
To taste acid  
To taste red  
To taste hell  
To taste me  
For you to swell  
To taste god  
To taste acid

To taste guilt  
To taste shame  
To taste hate  
To taste death  
To taste black  
To taste acid  
To taste red  
To taste hell  
To taste me  
For you to swell

To taste god  
To taste acid

To taste guilt  
To taste shame  
To taste hate  
To taste death  
To taste black  
To taste acid  
To taste red  
To taste hell  
To taste me  
For you to swell  
To taste god  
To taste acid

Guilt. Shame. Hate. Death. Black. Acid  
Red. Hell. Me. Swell. God. Acid
