To be lost and lonesome
To be so far from homesome
To be casting shadows
In the dead of the night
To have what you wanted
To be free but haunted
Always running the gauntlet
In the dead of the night
In the hall of nothingness
Love stands so motionless
In the house
The house of the man
The man of want
The man of want
Never mind my name boy
If you love to share the blame boy
If you don't want to go back the way you came
In the dead of the night
To get what you wanted
To be free but haunted
Always running the gauntlet
Always running the gauntlet
In the dead of the night
A boy stands so motionless
In the house
The house of the man
The man of want
The man of want
To be lost and lonesome
To be so far from homesome
To be casting shadows
In the dead of the night
In the hall of nothingness
We all stand so motionless
In the house
The house of the man
The man of want
The man of want
(Go Lisa go
Take 'em down that long old lonesome highway
I know there's a piano comin')

Ain't no turning back
