How can I see the thunder  
You disrespect my blunder  
We slide into another  
And fake like we are brothers  
Your fire  
Deny it  
You're so sick  
For power

I've seen the hate that you bring  
I've seen the fate that you sing  
You're my disgrace  
You're my insane  
You're the blood  
That burns in my head

Now I can see the thunder  
You disrespect my blunder  
We slide into another  
And fake like we are brothers  
Your vengeance  
And preference  
Fucked this up  
Not again

REPEAT CHORUS

REPEAT VERSE 1

Your fire  
You fuckin rise all  
Such power  
I'm disappearing  
For fuck's sake  
Bleed me dry  
Born stubborn  
Fuck this way

You fuckin rise all  
This is the fuckin craze  
I'm disappearing  
See through the eyes of your disguise

Your dead existence  
Your fire  
Nobody hears me  
For power  
The dead are crying  
This is a fine line  
Desire I'm singing  
Can't touch you  
I spread much lies  
Your fire  
We're in disguise  
Before I load it up an go!
