Destruction begins again  
Our lives are changed a little more  
I'd like to see you but I'd like to pretend  
That I loved you it had to end  
You destroyed your life a little more  
So the pain you just turned to bore  
I'm sick of you in me  
Get the fuck right out of my life

Don't want you fucking with my head  
I'll take you out  
Don't want to fuck with my head  
I'll take you out  
Don't want you fucking with my head  
I'll take you out  
Don't want you fucking with my head  
I'll take you out

So I held my head in shame  
Bitter cries defy your game  
Don't try to play your fuckin' shit  
In time I'll disagree  
So I held my head in shame  
Bitter cries defy your game  
Don't try to play your fuckin' shit  
In time I'll disagree

REPEAT CHORUS

You know I'll fuckin' deny

REPEAT CHORUS

Destruction begins again  
So I held my head in shame  
Our lives are changed a little more  
Bitter cries defy your game  
I'd like to see you but I hate to pretend  
Don't try to play, you fuck shit  
That I loved you, it had to end  
So I held my head in shame!
