Te quiero llevar
Y tenerte junto a mÃ
I want to take you
And have you next to me

TÃº eres cariÃ±o
Mi Ãºnico gran platÃ³nico amor
No sÃ© que me hiciste a mÃ
Darling, you are
My only big platonic love
I don't know what you did to me

Si supieras lo que siento dentro de mÃ, amor
Tengo un amor inmenso y es para ti
If only you knew what I feel inside me, my love
I've got an immense love, and it's for you

Eres lo mejor que tengo y yo
Nadie te reemplaza en mi corazÃ³n
You're the best I have and I love
Nobody can replace you in my heart

Te quiero llevar
Y tenerte junto a mÃ
I want to take you
And have you next to me

TÃº eres cariÃ±o
Mi Ãºnico gran platÃ³nico amor
No sÃ© que me hiciste a mÃ
Darling, you are
My only big platonic love
I don't know what you did to me

Son tantas cosas que te quiero decir amor
Te amo, te quiero, no hay que sufrir

It's so many things I want to tell you my love
I love you, I want you, there's no need to suffer

Eres lo mejor que tengo y yo
Nadie te reemplaza en mi corazón
You're the best I have and I
Nobody can replace you in my heart

Te quiero llevar
Y tenerte junto a mí
I want to take you
And have you next to me

Tú eres cariñoso
Mi único gran platónico amor
No sé que me hiciste a mí
Darling, you are
My only big platonic love
I don't know what you did to me
