You told me I was beautiful
And held me oh so tight
So I duett on my ugliness and
Hid away my light

Tell me why, oh why
Can't we let the good things in
I wanna know why, oh why
Can't we let the good things in

You said that you'd loved me
Before you saw my face
So I waited and watched for
Another girl to take my place

Tell me why, oh why
Can't we let the good things in
I wanna know why, oh why
Can't we let the good things in

Tell me I wanna know why
Tell me I wanna know why

So much of what I'd hoped for
I couldn't let it be

So I made me a world where
You had to leave

Tell me why, oh why
Can't we let the good things in
I wanna know why, oh why
Can't we let the good things in

I wanna know why
Tell me I wanna know why
Tell me I wanna know why
Tell me I wanna know why

Can't we let the good things in
