Coward, gutless child
Coward, gutless child
Coward, gutless child
Coward, gutless excuse for a man

Too many times I've watched you raise your hand
against my family
Too many hours hiding in my closet praying for the
strength to do something
To put an end to this

Woman why are you still there?
The fear of leaving should not outweigh the fear of
staying
You don't deserve this
My diamond in the rough

You deserve the world my diamond in the rough
Don't let anyone tell you different
Don't let anyone ever tell you different

I will never understand what she saw in you
All the pain and suffering you put this family through
You are nothing to me but a gutless child, you're
nothing to me

Woman why are you still there?
The fear of leaving should not outweigh the fear of
staying
You don't deserve this
My diamond in the rough

Show me a man who abuses the bottle
I'll show you a broken family
You don't have to put up with this, there is a way out
There is always a way out
There is always a way out
(There is always a way out)
