Jesus Piece Feat. T Haddy

I still got my Jesus Piece hangin'  
All up in your club, throw it up like we bangin'  
Slangin' that rock but it ain't nothing like you thinkin'  
We came to get 'em ready before them choppers go  
"Pow Pow" and leave 'em stankin'

Chorus:

I still got my Jesus Piece hangin' (I got it hangin)  
I still got my Jesus Piece hangin' (Go on and throw it up)  
I still got my Jesus Piece hangin'  
I still got my Jesus Piece hangin'

Verse One (Souljah):

Whenever u see me I'm on ten baby rep the gospel  
from coast to coast Been known as sort of a rebel no  
rehab I overdose On nothing but kingdom business all  
about God the father But the fact that my neck is  
dripping in diamonds some Christians bothered I'm like  
Heeeey why they mad Can't give me one scriptures  
that show me I violate my dad Cause all I need is one  
verse until then check your behavior While you can't  
get pass my diamonds these sinners just see the  
savior G-A we gone shut it down and we don't care if  
they don't like it We gone spit it how he give it and rep  
Him just how we like it And we dare not touch His glory  
it's all about Jesus reigning Like a gangbanger reppin  
with his flag, I got my Jesus Piece hangin-sangin

Chorus:

I still got my Jesus Piece hangin' (Chains in the air)  
I still got my Jesus Piece hangin' (Let it hang yal)  
I still got my Jesus Piece hangin'  
I still got my Jesus Piece hangin'

Verse Two (Malachi):

I ain't tripping I ain't Kanye West but I bet you my Jesus  
Christ he gone walk wit me All of my peoples be getting  
money illegal but Imma challenge my brothers to get it  
lawfully You might be fresh man we Varsity, well Imma

get charged with grand larceny Be like Malachi willing  
to die for Jesus is making it super easy to take over  
your property Hey, check out my Jesus piece, you ain't  
even really gotta notice me I be on my Kevin Bacon  
invisible individual spiritual Hollow man, that why these  
rappers ain't seeing me Blowing up like TNT, we been  
waiting like DMV, Music Factory I'm C&C do you really  
want a revolution,  
I don't think they following me I don't even think you  
know who this be with another club Banger, they all fall  
down, they call me the king of Jenga Gimme my crown  
you rappers got sticky fingers, we told'em we was  
willing to die for this hang us Like the plaques on the  
wall, I don't see nothing but the plaques on the wall Ga  
don't play, we gonna ball till we fall, where Yo Jesus  
pieces at? Bring it back like a Mohawk.

Vamp:

In and out of church I bet you T-Haddy gone rep that  
cross  
Favor, got God in me, my swag just like a boss  
My chain is amazing but the meanings greater, let your  
chain hang if your reppin' the savior.

Verse Three (Monolog):

Okay, I still got my Jesus Piece hangin' round my neck  
This one goes out to you labels and I mean all  
disrespect  
But oh no no we won't crossover and oh no we won't  
sell out  
Bump industry this ministry cuz preaching Jesus what  
we bout  
Telling us that we belong out there with T.I.'s and  
Waynes tho  
Talking money at us hope we hop the pouch like kangol  
We dodging that Durango, see your tricks like they on  
Tango, and we gone hit B.E.T, bet our message stay  
the same tho.  
So when you see the King of Jews on me that's hanging  
from my jewelry  
It's more than just a charm, but I was charmed how He  
was slew for me  
So Imma go harder than I ever gone before  
Got my Jesus (Jesus Jesus Piece) hanging let's go.  
I still got my Jesus Piece hanging (all up in the club  
throw it up)  
Slangin that rock but it ain't nothing like you thinkin'  
We came to get 'em ready before them choppers go  
"Pow Pow" and leave 'em stanckin'

Chorus:

I still got my Jesus Piece hangin' (Chains in the air)  
I still got my Jesus Piece hangin' (Let it hang yal)  
I still got my Jesus Piece hangin'  
I still got my Jesus Piece hangin'  
I still got my Jesus Piece hangin' (Let it hang yal)  
I still got my Jesus Piece hangin' (Let it hang yal)  
I still got my Jesus Piece hangin' (Let it hang yal)  
I still got my Jesus Piece hangin' (Let it hang yal)
