Holding, my life is unfolding  
All of this (reopening my gates)  
Tearing, my life despairing  
All of this (reopening my gates)  
All of this (reopening my gates)  
All of this (reopening my gates)  
All of this (reopening my gates)

All of this!  
Take me over!  
All of this!  
Take me under!

Reaching, my life deceiving  
All of this (reopening my gates)  
Ashing, my life is crashing  
All of this (reopening my gates)  
All of this (reopening my gates)  
All of this (reopening my gates)  
All of this (reopening my gates)

All of this!  
Take me over!  
All of this!  
Take me under!

I cannot realize  
That you and me  
Can feel alive  
And over you drown me  
To feel like your  
Free!

All of this!  
Take me over!  
All of this!  
Take me under!  
All of this!  
Take me over!  
All of this!  
Take me under!
