SIN!
FEAR!
YOUR!
DEAR!
DADDY!

This is my last letter that you'll be getting
Today I have crossed the line and fell
I fell into a deeper pit than me and your mom did
So let go of these things and just drift away
From these splinters of yesterday
Keep a keepsake find an heirloom
Whatever you do just dont get lonesome
For whatever you did to make me leave
The final countdown and I still dont know why
But here is a toast to all my family
Just stay in my heart and dont forget me

BREATHE!
LEAVE!
SEE!
DIE!
EAT!
SLEEP!
KEEP!
FLY!

This is my countdown save me from myself
Even though I am already dead
You can still pull it up
And do your best

NO!
DONT!
LEAVE!
ME!
YOU!
ARE!
MY!

DADDY!
