Taking the toll on my answers
And begging for the only one
To be my broken ruby
All of my life I have waited for something
To become what I have one
Of being alone and we are gone
Your sick of me and my life
And going down

We are all gone
We are all wrong
We are all fallen
We are Fallgone
We are all gone
We are all wrong
We are all fallen
We are Fallgone

Leaving me alone in the attic
Treachery coveting my sin
Holding the crumbling book
That will forget my hook
That is placed in my throat
To stop me from screaming NO!
All my innocent pleas
Take me from being me

We are all gone
We are all wrong
We are all fallen
We are Fallgone
We are all gone
We are all wrong
We are all fallen
We are Fallgone

Fallgone!
Fallgone!
Fallgone!
Fallgone!

Taking the toll on my answers
And begging for the only one
To be my broken ruby
All of my life I have waited for something
To become what I have one
Of being alone and we are gone
Your sick of me and my life
And going down

Leaving me alone in the attic
Treachery coveting my sin
Holding the crumbling book
That will forget my hook
That is placed in my throat
To stop me from screaming NO!
All my innocent pleas
Take me from being me

We are all gone
We are all wrong
We are all fallen
We are Fallgone
We are all gone
We are all wrong
We are all fallen
We are Fallgone

Fallgone!
Fallgone!
Fallgone!
Fallgone!
