Your tear into my skin  
Like a peice of broken glass  
But you cease to go away  
And you would never last  
Everytime I look  
You will always stare at me  
And no matter how deep you go  
It will be punishment to me

Oh, I feel like the rain crashing down  
Oh, I see that the pain is all around  
Oh, I break like the glass in my crown  
Oh, I take the breath like you are out

You rip off of my skin  
Like the tearing of my flesh  
The glass is out of me  
And it is on the ground  
I hear the roar of pride  
As it crashes on the ground  
Shake into the crowds  
Like the thunder from above

Oh, I feel like the rain crashing down  
Oh, I see that the pain is all around  
Oh, I break like the glass in my crown  
Oh, I take the breath like you are out

Take me away!  
Break it away!  
Open up the doors and look to the ground...

Oh, I feel like the rain crashing down  
Oh, I see that the pain is all around  
Oh, I break like the glass in my crown  
Oh, I take the breath like you are out

Oh, I feel like the rain crashing down  
Oh, I see that the pain is all around  
Oh, I break like the glass in my crown  
Oh, I take the breath like you are out
