There was a time  
Our happiness seemed never-ending  
I was so sure  
That where we were heading was right  
Life was a road  
So certain and straight and unbending  
Our little road  
With never a cross road in sight  
Back in the days  
When we spoke in civilized voices  
Women in white  
And sturdy young men at the oar  
Back in the days  
When I let you make all my choices...  
We can never go back to before

There was a time  
My feet were so solidly planted  
You'd sail away  
While I turned my back to the sea  
I was content,  
A princess asleep and enchanted  
If I had dreams  
Then I let you dream them for me  
Back in the days  
When everything seemed so much clearer  
Women in white  
Who knew what their lives held in store  
Where are they now,  
Those women who stared from the mirror?  
We can never go back to before.

There are people out there  
Unafraid of revealing  
That they might have a feeling  
Or they might have been wrong  
There are people out there  
Unafraid to feel sorrow,  
unafraid of tomorrow,  
unafraid to be weak...  
unafraid to be strong!

There was a time  
When you were the person in motion  
I was your wife,  
It never occurred to want more  
You were my sky  
My moon and my stars and my ocean  
We can never go back to before  
We can never go back to before
