The sun and the moon  
are not friends.

We are sighing four times better than your dance  
trickle trickle  
ooo  
much better than better than  
ooo  
much better than better than  
ooo  
much better than better than  
ooo  
much better than

I said: Filter your speech to mouth. You better filter your  
speech through my, lipgloss

Because we are running away  
We are trying to escape  
We are not afraid to admit that we are animals (x2)

We are sighing away  
We are sighing away from you  
What would you do if I wasn't sighing away?  
What would you do if I stayed to eat your breakfast  
cake?  
What would you do if I wasn't sighing away?  
What would you do if I stayed to eat your breakfast  
cake?

Your breakfast cake  
How I'll wait  
On your dear daddy's date  
Your leg would shift  
Your knee would bend  
You didn't dance like that  
But now you dance like them!

My hands and your lips  
Your leg and my vein.  
We are sighing four times better than your dance

trickle trickle  
ooo  
much better than better than  
ooo  
much better than better than  
ooo  
much better than better than  
ooo  
much better than

We are running away  
We are trying to escape  
We are not afraid to admit that we are animals (x2)

We are sighing away  
We are sighing away from you
