youre my lion

youre my echintauh huh huh (?)

am i a tender thing trapped deep in a faulty shade

am i a creature?

can i be your creature?

am i your last dance

for prom or graduation yea?

and oh beat down

she said shell always be my

oh beat down

she said shell always be my

youre my science queen

am i a ship wreck?

am i faltering?

do you think i have faltered

oh beats down

she said shell always be my
