Looking down the road I'm paralyzed,
And it makes me free I never lie,
And you know I think I'm paralyzed.
And oh...

Any time at all these fed up tears,
There he is, a failure, all those years,
How did I ever get here?
I don't know.

(CHORUS)

Cause I'm on my way now.
And I call for you on my way now.
Chase my shadows.

Have I lost my way, and will I ever
Find my way now?

Buried in a past that made me weak,
There he is a faded memory.
You know I think I'm make believe.

Finally became all I fear,
