[verse 1: Rah Digga & (Biggie Sound)]Yo, yo, yo, yeah,  
yeah

Digga knows how to seduce a gangster  
C'mon! New York lifeguard by gangsters  
Digga knows how to seduce a gangster (ha-ha)  
Biggie you're still a gangster  
Now it's for real!  
Check it madam, I'm an eye on his purse pink  
In that Bentley and his coat made of mink  
This's my hood, the MC's like the light, bling!  
When it rains the sky's Kings are spittin'  
You seen Mary? So niggaz pimpin' (yea!)  
Sleepy in my bed, B. showed me ya belt  
Before thinkin' about a nigger, I think of myself  
'Cause he showed me a glock (c'mon!)  
He wanted to fuck me up? Now look! Hit 'em up  
When the guy said, "Hit 'em up"  
I said grab ya gat and becomes a real thug

[chorus: Rah Digga]C'mon in this vein  
I can see ya chain  
It's wit' you now!

[chorus: Biggie Sound]I'm so gangster  
I'll send up this letter to the gangsta queen  
I'm so gangster  
R.I.P.  
To B.I.G.

[verse 2: Biggie Sound & (Rah Digga)]Take the money!  
Take the money!  
Let's go now! (go!)  
We'll strike the words low-level nigga  
Stop smiling! 'Cause I pop that his lunatic nigga  
I have energy like a reflector 600w  
I'm faster than Usain Bolt [\* wind blowin' \*]  
So check it! I got that plaid wool coat

Fuck the whole West coast!  
Stay tuned to curfew  
My gunz will shoot and will hurt you (yea! yea!)

Rampage doesn't need to go out wit' your ID  
Just go wit' the ideas of B.I.G.  
Below the stomach a taurus  
On the belt a mac-B  
Check it! Check it! Get ready! (ho!)  
They'll come ready to stab  
James Rock is a gabby  
He never stops talkin' to police  
I have expelled them from my block  
He's listenin' very Tupac (nah)  
What will happen now?  
I'll cock my glock  
And the other side will get queasy with the rockin'

[chorus: Rah Digga]C'mon in this vein  
I can see ya chain  
It's wit' you now!

[chorus: Biggie Sound]I'm so gangster  
I'll send up this letter to the gangsta queen  
I'm so gangster  
R.I.P.  
To B.I.G.
