So, this is it
Looking back over my shoulder
Feels like I'm hit
Like a car just ran me over

'Cause we can't go there
Back to where we started in the first place
I try so hard now
But maybe I just can't forget

Baby you get stuck into my heart
Baby you get stuck into my heart
Just like a tattoo
Now it's only tearing me apart
Now it's only tearing me apart
You're like a tattoo on my heart

It's been a while
There's a distance, now I feel it
I get on by
But time it just won't heal it

I just go there
Back to all the places where we started
New-found lovers
I make believe it's you and me

Baby you get stuck into my heart
Baby you get stuck into my heart
Just like a tattoo
Now it's only tearing me apart
Now it's only tearing me apart
You're like a tattoo on my heart

I remember staying up late
I remember music we played

The memory of us never fades
It will never fade away

A-a-a-a-a-aaa-aaa

A-a-a-a-a-aaa-aa

A-a-a-a-a-aa-aa

A-a-a-a-a-aa-aa

Baby you get stuck into my heart

Baby you get stuck into my heart

Baby you get stuck into my heart

Just like a tattoo

Now it's only tearing me apart

Now it's only tearing me apart

You're like a tattoo on my heart

A-a-a-a-a-aaa-aaa

A-a-a-a-a-aaa-aa

A-a-a-a-a-aa-aa.
