He is that boy everyone wants  
I can't believe, I guess I have it all  
He was the one out of my reach  
And now that he's here, still something I need  
He tells me, tells me that he wants me  
Holding my hand, but I don't feel a thing

Why can't my heart break, though I want it  
Why can't he make me cry  
Why can't I miss him, like I used to  
I don't know, I don't know  
I don't know, I don't know  
Why can't my heart break

He's more that I want, there when I need  
I don't understand that it's not enough  
All that is left, I see that I play  
I never felt this way before about him  
But I tell him, tell him that I want him  
Holding his hand and he don't know a thing

Why can't my heart break, though I want it  
Why can't he make me cry  
Why can't I miss him, like I used to  
I don't know, I don't know  
I don't know, I don't know  
Why can't my heart break

Why, why can't he want somebody else  
Make my heart break, make it realize  
Why, is there no turning back  
I just wanna feel something

Why can't my heart break, though I want it  
Why can't he make me cry  
Why can't I miss him, like I used to

I don't know, I don't know  
Said I don't know, I don't know

Why can't my heart break, though I want it  
Why can't he make me cry  
Why can't I miss him, like I used to  
I don't know, I don't know  
Said I don't know, I don't know  
Why can't my heart break
