Verse One: Dru Down

You say you got five on my tenda  
You can bend a over the table  
But be sure bring my stallion back to my stable,  
Say, bruh?  
No elementary school ground plan,  
Not a five dollar bill,  
But five double zero on the real, feel  
I'm on the level, stair mellow,  
No criticism from the fellows, hello  
Being keyed during a high-speed  
But still don't tap the B.B.s  
I'm dizzy, Dru Down, baby

Verse Two: Knumskull

Like Nyquil, I drop fever,  
So either put your five up,  
Or ya gots to leave it like Deva  
Cause see ya,  
Nigga perkin broke and smoke ya spliff all day  
Go home and buy big tricky with his pretty Impal-a  
I got five on the Hennessey, Seagram's, and 40's  
Cause +This is How We Do It+ like Montell Jordan  
I'm from the Oakland city, framed nigga is a gonna,  
Now I'm blowin it up like Oklahoma

### Verse Three: Richie Rich

Put ya fi-ve with my fin,  
Best believe we'll bend  
Mo corners than you thought,  
To somethin writers bought  
More zig-zags believe that  
Token, where you from?  
Oakland  
Smokin  
In attempts to crack the chest plate,  
The zips be so fluffy, the whole town loves me  
An every event I'm sacked up,  
So if ya need me, scream double R when ya see me

### Chorus: Michael Marshall

I got five on it,  
Grab ya four, let's get keyed,  
I got five on it,  
Messin wit dat indo weed  
I got five on it,  
It's got me stuck and toed back,  
I got five on it,  
Potna, let's go half on a sack

### Verse Four: E-40

E-40  
Why ya treat me so bad?  
40 makes it happen  
Fives gets slapped and rubbin them girls  
just a little bit of light weight  
Flamboyant, potent fumes lingerin  
mighty clouds and Northern Lights  
You expect to bit the baron an you'll be violatin my civil  
rights  
I'm startin to feel my scrilla  
but perhaps today my scrilla ain't feelin me  
For the simple fact that I'm off to the track with hella  
fools three  
Pockets empty, pitchin five, man I'm dusted  
Took off my hat, passed it around, sprinkle me

### Verse Five: Yukmouth

Me an E-40 to the head, comin fifth, plus  
You let the lead bust,  
Ready to do a murda, man?  
Perved off the Hurricane, hurled again  
Witness we'll bein off two-fifths equal,

Killing people like Jason, facin death every sequel  
(Insane in the membrane!)  
Bring the pain like Method  
Neglected,  
Smokin crips to the night to the brains for breakfast  
Cause for the in-do fins do the evil that men do,  
Give me fi-ve and I shall proceed and continue

Chorus

Verse Six: Shock G

Yeah, it's been a while since I've hollered from the  
town,  
Mess around heard young ginome said "I've gotta be

Cause new styles is goin down, look around you  
Tunes from the Luniz spread round an round you  
Back to get my O on, they let me flow on  
The thirty-five on it,  
Yeah, I'm on it,  
Still brinin satin for them draws  
Velvet for the mic and got a pound for the cause

Verse Seven: Spice 1

Rollin up the cannabis, hittin the Mary Jane,  
Smokin the five before it's tweleve o'clock  
Sippin on Hurricane, ready to smoke on the indo  
Rollin up my window, fittin to go to the land,  
With a hand fulla brocoli,  
When it comes to the sticky, I'm the man  
Crutch nasty I be hittin the J so hard I hurl  
Fall on the floor fittin to have a stroke THC ain't no joke  
I got five on everything, let's get loaded and smoke  
S-P-I-C-E about to hit it an croaaaakkkkk

Chorus
