Theres a whole lot of girls messin around trying to get me
They do things cause they know my girl is away
they try to upset me They cant believe I resist how can I
hold out, where is that girl now but the truth really is I
dont worry cause I love you baby so, That... [Chorus:]
No matter where my baby is she never leaves me
without love She gives it up till I get enough then Im
alright Til my baby comes home if she stays away for
long she calls me on the phone I jump up when I hear
her voice then Im alright Til my baby comes home I get
weak in the knees my hands start to shakin head gets
to achin is she thinkin of me or feelin the fire with some
other guy, yeah I cant believe I can be worried about
her I shouldnt doubt her cause our thing is for real and
I dont worry cause I know, I know, I know... [Chorus]
Bring it on Home to me She makes everything alright,
shes good to me Shes the best part of my life cant you
tell That Im just like a new guy, Im doing Very well
Cause I know shes coming back tonight Every night
when I sleep I dream of my baby Shes such a lady Then
I wake up and see That shes laying by me Right there
beside me I cant explain how I fell I really love her,
keep dreaming of her Cause our love is for real And I
dont worry Cause I know, I know, I know [Chorus]
