Hey, this what you came for
You came on, girl what you playing for, yeah
Come on, come on, let me kiss that
Uh, I know you miss that
Uh, it's wrong, let me fix that

[Chorus]

Baby tonight's the night I let you know this
Baby tonight's the night we lose control
Baby tonight you need that
Tonight believe that
Tonight I'll be the best you ever had
And I don't wanna brag, but I'll be
The best you ever had
And I don't wanna brag, but I'll be
The best you ever had

I'll hit you with the best flow
Freestyle and a brush stroke
To the â€¦ cigarette smoke
And now the bed is broke
So what we gonna do now?
Around 2 now, more than I can cool down, cool down

[Chorus]

Baby tonight's the night I let you know this
Baby tonight's the night we lose control
Baby tonight you need that
Tonight believe that
Tonight I'll be the best you ever had
And I don't wanna brag, but I'll be
The best you ever had
And I don't wanna brag, but I'll be
The best you ever had

If you leave it up to me, I'll be the best you ever had
Better bag of money honey, you would tell a friend to brag
If you tell me that you love me, then I know I did my job
Body shakin, heart racing, with a taste that make you drop

I've waited a whole month, been a good sport
You put up a wall, built a pretty good fort
Time to break it down baby let me break it down
Roll base turnin in, try not to make a sound
If you with anybody else, they could join in
Tonight all I want is you, I be going in
Late light a â€¦joint, spit a porn joint
Yo, catch a bitch, stroke is on point
Yeah, hit 2, I could go for free
Rounds, I'ma pound that, throw it in the tweet
If I'm wrong, I'm wrong
If I'm right, I'm right
I'll be the best you ever had, later tonight

[Chorus]

Baby tonight's the night I let you know this
Baby tonight's the night we lose control
Baby tonight you need that
Tonight believe that
Tonight I'll be the best you ever had
And I don't wanna brag, but I'll be
The best you ever had
And I don't wanna brag, but I'll be
The best you ever had.
