Now that you're here once again, once again  
Let's take these glasses of moscato, baby and toast to  
us

Now, now, now, now  
Now I see your dimples when you smile, smile  
Now that I, talked you out your high heels

I think that I should rub your feet, yeah  
Now that you've got so comfortable in this queen size  
mattress  
Maybe you should call me baddy, and make you feel  
like a water bed, a water bed  
And now that you're in my grasp, I promise I won't  
come too far  
So now that I've spoken my mind,  
Just know that any time, you got an open invitation  
Hey, hey, hey, hey, girl  
Don't say goodbye, bye, bye, bye, bye, bye, bye  
Hey, hey, hey, hey  
To the one time, don' t say goodbye

How about, how about I get you hot, it's like a fever  
You just stay so  
You just stay so I can give you goose bums, yeah  
So, so I can deep that swag, so I can deep fall in you  
Arch your back, arch your back  
Arch your back just right so I can taste it, mhm, mhm  
If you can make it rain, I can make it pour  
And we can make it shower  
I'm gonna hit that think like that  
And it will make you all like thunder  
And now that you know that the parts work properly  
Baby kick back and work this machinery  
Overtime, any time, that's what it's meant to be  
Hey, hey, hey, hey, girl  
Don't say goodbye, bye, bye, bye, bye, bye, bye  
Hey, hey, hey, hey  
To the one time, don' t say goodbye

I ain't too proud to beg, woman  
Hey, hey, hey, hey, girl oh baby

Don't say good night  
Till the morning's over  
Don't say good night.
