(Verse One)

Hey the energy in your words is so innocent.  
So enticing so inviting. Ooo wow  
The energy in your touch is so bashful but yet so triple  
X rated.  
Ohh Oowee the energy in your kiss leaves a bitter taste  
of a tease  
But I'm so pleased cause your delicious. Ohh (ooo wee)  
see magnetic energy when you add that up with me it's  
obvious to see.

(Chorus)

We got a match that's made on (we got, we got) earth

the next best thing hey) The next best thing to heaven  
girl. (Ooo,) You and I we got energy, (like my lips on  
your lips girls) ohhh energy, (when we do it after dark

touch girl) You and I we got

(Verse Two)

See we connect with our eyes and you wrap me up in  
your thighs and you try to keep your voice if it's good  
and you make noise and you just can't get away so you  
agree to stay we both know what it is, we really know  
what it is, it is what it is hey

(Chorus)
