Word on the street is you gave him his walking papers
And, well, I wanna be the man that my daddy raised
me to be
My momma taught me to be, see baby

[Chorus:]

Guess who loves you more (Oh love)
Guess who loves you more (than he did girl)
Guess who treats you betta (than he did)
Me, girl, me (that's)
That's right me (when)
When you gon' see
Wake up and see (repeat)

[Verse 1:]

Lady, lady, lady
My darlin', darlin' baby
I wanna restore your hope
Forget about the past, this thing's gon' last, oh
(For the tears you used to shed) I wanna dry them
(When you tossed & turned in bed) I wanna rock you to
sleep
The right way,
What I'm tryna say is (guess who loves you more)
I love you more, I love you more, oh

[Chorus] [2x]

(Ain't no doubt about it)
My love for you can never be measured (ain't no doubt
about it)
Girl I treasure (girl don't you ever doubt it)
And each day, my love multiplies for you (you)
Girl as long as father time is on my side (Ah)
I'm gon' be by your side (Ah)
Baby your perfect in my eyes (Love)
You're my joy and pride (guess who loves you more)
Girl, I love you

[Chorus] [2x]

Over here

(It's me who loves you baby)
Honest to God I do
(It's me that loves you baby)
Girl I promise you
That i'll cherish you
(I Ain't goin' nowhere, be right here, never have to
worry no)
I'll love you
Protect you
Grind for you
Yes I will
Honest to God I do
Said I'll grind for you
I love you baby
I cherish you
You'll be my lady
Nothing will break our bond
Honest to God I do
Have faith in me
I have faith in you
Pinkey swear
That's how much I care
Oh baby
I wanna love you
I care for you
You'll never, never, never, never, never, never, never,
never, never, never, never, never, never, never
Never got to worry no
In fact I'm on my way right now to you
