Word on the streets is you gave him his walking papers
and...

Well... I wanna be the man that...

My daddy raised me to be

My momma taught me to be

See baby

[Chorus:]

Guess who loves you more

(Hey love)

Guess who loves you more than he did

Guess who treats you betta than he did

Girl me

That's right me

When you gon see

Wake up and see [2X]

[Verse 1]

Lady, lady, lady

My darling, darling baby

I wanna restore your hope

Forget about the past this things gon last

So (all the things you used to share)

I wanna try them (we can toss and turn in bed)

Wanna rock you to sleep me the right way what I'm

tryna say is

[Chorus] [2x]

I love u more.

Guess who loves u more

[Verse 2]

(Ain't no doubt about it)

My love for you can never be measured

(Aint no doubt about it)

Girl I treasure (your love)

(Girl don't you ever doubt it)

Each day

My love multiplies for you

Girl as long as father time is on my side

I'm gon be by your side

Baby your perfect in my eyes

Your my joy and pride
(Listen baby, here's why)
Girl I love you you you you yoooooooooooooooo
