Verse 1:

They said that heartbreak was a fatal game
said when she left me i wouldn't be the same
careless to the rumors i did my own thing
i shared my time my life and my name
no i'm down and out
and just plain through
a nigger warned me so i gots to warn you
i swear i never ever knew a game so cruel
i swear i never ever read some words so cold

Chorus:

She left a letter here's what she wrote
she said she had to leave and there's no hope
for my broken heart there's no where to go
she signed it heart break
that's all she wrote
Repeat 1x

Verse 2:

I stopped by her mama's house
hoping she was there
all i got was disappointment
stupid ass left
i called up her sister
the one that push the three
i even scoped out the weed spot
where she buys her trees
now i searched high
now i searched low
knowing damn well she ain't coming back for sure
she's probably on the beach
tanning in puerto rico
while i'm here sick from this shit i read yo

Chorus 3x

She said she said she said
She said she said she said
She said she said she said
She said she said she said
She said she said she said

Chorus 2x
She said she said she said
She said she said she said
She said she said she said
