I'm a lovaholic for you  
Plus the fact that my love is  
(My love is)  
Dope

You got me hooked, I got you sprung  
Now add that up and you're my love drug  
I'm your love drug  
You're what I need and I'm your pusher man

You appear as though you're from Columbia  
You keep it tight for me like zip locks  
And I just got high when we lip lock  
And you just got high when we lip lock

So you search for me  
With a flashlight in the daylight  
'Cause I'm your get right  
So no one serves you up, girl, like I can  
I'm your Mr. Midnight pusher man

I'm your drug  
(Ooh, I'm your drug)  
And you can't kick it  
(You can't kick it)

You gotta have 'cause you're so addicted  
(I got you hooked, got you hooked, got you open)  
'Cause I'm your drug  
(Yea, yea but it's a two way street)

(See)  
You're my drug  
(You're my, my, my addiction  
My weakness, see I)  
And I can't kick it

(I gotta have you)  
You got me so addicted  
(You got me so addicted, yea)  
See, you're my drug  
(My, my, my love drug)

See my urge gets fulfilled when you come through  
I love every little bit of ounce of you  
See you're back for more and I'm reeing up  
You're floating now that's that good stuff

And that's all day  
(I'm stone, she's stone)  
And all night  
(We bang, we bone)  
Now hurry back soon when I'm in demand  
'Cause I'm your pusher man

I'm your drug  
(I'm your drug, yea, sky high, sky high)  
And you can't kick  
(Ooh, you can't kick it)

You gotta have it  
(No)  
See, you're so addicted  
(I've got you hooked  
I've got you sprung, I've got you open girl)

'Cause I'm your drug  
(Uh, huh but it's a two way street)  
'Cause you're my drug  
(You're my, my addiction)  
And I can't kick

(You got me addicted, yea, yea)  
I gotta have it yea  
You got me so addicted  
(So addicted, so sprung, so hooked on you)  
See you're my drug  
(I can't give it up)

I can't, I can't  
(Give her up, give her up)  
She can't, she can't  
(Gimme up, gimme up)

She keeps me feening  
(She keeps me feening)  
And turned on  
(Got me lost and turned on)

I can't, I can't  
(Give her up, give her up)  
She can't, she can't  
(Gimme up, gimme up)

She keeps me feening  
(She keeps me feening)  
And turned on  
(Got me lost and turned on)
