Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, Sunday,
I wanna touch you, kiss you, feel you, taste you, oh ohh
ohh
I wanna love from night until day,

Ever so gently
Lick these fingertips girl
Lick these finger caress your skin
And let them slow jams guide me in
Girl I got it wrapped up tight now
Slidddde me in
I just love to love you now, love you now
Love you when it's

Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, Sunday,
I wanna touch you, kiss you, feel you, taste you, oh ohh
ohh
I wanna love from night until day,
I said I wanna love from night until day

Ooooooh, scream my name and tell me who
Hey, who do you like this grown man do
Gasp for air, speak in tongues
I just to love you down, love you down, love you when

Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, Sunday,
I wanna touch you, kiss you, feel you, taste you, oh ohh
ohh
I wanna love from night until day,
I said I wanna love from night until day

Hey baby, hey, see there's no sunshine when you're
gone, and I,
And I miss you when I hear slow songs,
And no, no, no, ain't no substitute replacing your love,
You got me under lock and key
See the bed is lonely when you're gone

(Monday, Tuesday, Wednesday, Thursday, Friday,
Saturday, Sunday,
I wanna touch you, kiss you, feel you, taste you, ooo (I
wanna touch you baby, uh baby)
I wanna love from night until day.
I wanna love from night until day, (I want your love, I
want your love),
I wanna love from night until day, (I want it for night
and day)
I wanna love from night until day (Say you wanna love
me today, yeah, yeah, yeah),
I want your love girl, when the quiet is ..,
Wanna get sexual, sexual, hot baby uhh,
I wanna love from night until day, (Love me, love me,
love me, love me, love me),
You said you wanna love from night until day,
Wanna, wanna, wanna love you,

Night to day, night to day, night to day, night to day,
night to day.
Night to day, night to day, night to day, night to day,
night to day.
Night to day, night to day, night to day, night to day,
night to day.
Night to day, night to day, night to day, night to day,
night to day
