(DJ please play one more love song
Pretty please
Cause I ain't had enough of her now yet
She's ain't seen the best of me
DJ please play one more love song
Pretty please
Cause I ain't felt the best of her now yet
She ain't felt the best of me)

Feel me on this one
If you in the club
And it's like 2 AM - 3 AM
We gon send this out to the DJ right now
This is Radio Raheem and I'm telling you got about 10
seconds now
9, 8, 7, 6, 5, 4, 3, 2, 1

Have you ever hit the club and seen a beautiful girl?
Out the blue, on the dance floor
Like get to talking, get to fucking
Get to drinking, now she's grinding up on you
On the dance floor
Then heard yay after jay
Easy after yay
Cheesy after weezy but another night's uneasy
And you just convince her to get off the wall
And the DJ's calling it last call and do like oh no no no
no

DJ please play one more love song
Pretty please
Cause I ain't had enough of her now yet
She's ain't seen the best of me
DJ please play one more love song
Pretty please
Cause I ain't felt the best of her now yet
She ain't felt the best of me

Have you ever seen a dude well dressed, so fly, so
clean?
Like me on the dance floor

That gets to talking, buying drinks, now you're flirting
and grinding and things
On the dance floor
Then heard yay after jay
Easy after yay
TI and some callan just when you hear this ballad
The lights come on and everyone is leaving out
And all you can think about

DJ please play one more love song
Pretty please
Cause I ain't had enough of her now yet
She's ain't seen the best of me
DJ please play one more love song
Pretty please
Cause I ain't felt the best of her now yet
She ain't felt the best of me

Now if you're tryina get that number, get that number
and that e-mail
It's last call, time for last call
And if you're tryina get that lady, hit the waffle house
and take that lady home
It's last call, time for last call
When you're feeling tipsy pass the keys to your friends
Pass the keys with your friends
It's last call, time for last call
Please Mr. DJ if you can, please leak one more slow
song yea
Please play one more slow song

DJ please play one more love song
Pretty please
Cause I ain't had enough of her now yet
She's ain't seen the best of me
DJ please play one more love song
Pretty please
Cause I ain't felt the best of her now yet
She ain't felt the best of me

DJ please play one more love song
Pretty please
Cause I ain't had enough of her now yet
She's ain't seen the best of me
DJ please play one more love song
Pretty please
Cause I ain't felt the best of her now yet
She ain't felt the best of me

Please play one more love song, DJ
Please play one more love song, DJ

Please play, please play, please play
Please play, please play, please play
One more, one more love song
Before they shut it down
Before they shut it down
Before they shut it down
Before they shut it down
Before they shut it down
