I try, but gave in, any willing then you came
I, I knew you want to say my â€¦
Change my, my strategies and players ways
And baby now I
No longer hold back girl
And you to love

[Chorus]

Real love, all I want, want from
It's all that it takes, to keep, keep her
Real love, is all a woman want
So I give my all to please her
Whatever she needs, whatever she asks
I give her everything I have
Cause real love, is all a woman want
So I give my all to please her

She's so fine, her pretty starts again and overflow
You're outside, not any women are this fortunate to like
it
Girl you're so damn stimulating
You got my body reliving tension
When no one else could take it, this right here real love

[Chorus]

Real love, all I want, want from
It's all that it takes, to keep, keep her
Real love, is all a woman want
So I give my all to please her
Whatever she needs, whatever she asks
I give her everything I have
Cause real love, is all a woman want
So I give my all to please her

Girl, see shivering ain't that overrated, nah, nah
And ain't no spending limit when it comes to spoiling
you, my darling
My only intention's to love with no inhibitions
Girl make yourself at home, I be good company to you

[Chorus]

Real love, all I want, want from
It's all that it takes, to keep, keep her
Real love, is all a woman want
So I give my all to please her
Whatever she needs, whatever she asks
I give her everything I have
Cause real love, is all a woman want
So I give my all to please her.
