And then i lay you down on your back,

Bite your bottom lip thats sexy too,  
and your eyes roll back as i devour you.

and im so hot like a brick of white,  
(so hot) hot like a mountain on top.  
(so hot) hot like a wimshaw drum,  
so cold when you give me some.

I rock them Marvin and the Barry White,  
You holler at this thing boy all night.

I let you ride it like Ferrari,  
got your body soakin' wet, sweatin' like safari. (oooh)  
From sudown to till white turns grey, (grey grey grey)

Thats how it is every time we mingle,
