I have a seductive mind. I just had to let you know.

You look like spiderman when you're on the course
One hand down the other on the club
Your body seems perfect for household and for sex
But I guess I'll never find it out

Boy when I meet you
Gonna have you love you feel you in my arms
Cause when I see you
My body just can't resist your charms

Please let me ask if you are into guys
Cause that would really turn me on
If you're not then baby it's okey
We can do it on our own

Boy when I meet you
Gonna have you love you feel you in my arms
Cause when I see you
My body just can't resist your charms

Thousand miles are separating us
But I've got a TV at home
I can watch you on the weekends
And the internet when I'm alone

Boy... gotta have you, have you, have you, have you

Boy when I meet you
Gonna have you love you feel you in my arms
Cause when I see you
My body just can't resist your charms

I've got this image in my mind
You Ronaldo and I together
In the bed
I know that this might crazy seem
But it's just a sex dream of mine
In my mind

Boy when I meet you
Gonna have you love you feel you in my arms
Cause when I see you
My body just can't resist your charms

I've got this image in my mind
You Ronaldo and I together
Making love
I know that this might crazy seem
But it's just a sex dream of mine
In my mind
