One last push with all the strength of us all Under one great shadow floorshow Take the strain for us all

Can you give it Can you give it Can you give it Can you give it Can you give it

One last pull to tight the slack of before Slow rolling bolder, rock, stone, pebble Grit, sand, dust, grain, speck of it all

Can you give it Can you give it Can you give it Can you give it Can you give it

Bolt hold, tape together Concrete, to another Bind tight, and deliver Hold fast, hold fast, hold fast

Can you give it Can you give it Can you give it Can you give it Can you give it
