Dear friend of mine has
Broken his union,
Broke from tradition
Broken his vision of the future
Alone, alone, alone,
Not alone at all

Dear friend of mine is
Testing his body
Tempting disaster,
Testing Water
With another's daughter,
Alone, alone, alone,
Not alone at all

Dear friend of mine,
My ear is bending,
I'm not helping,
I'm not telling,
I'm not solving,
I'm not saying you're pretending,
Alone, alone, alone,
Not alone at all

Alone, alone, alone,
Not alone at all

Dear friend of mine is
Helpless without helping,
Healed without scab or scar,
New union found him alone,
Alone, alone, alone,
Not alone at all

If you've got no kind words to say,
You should say nothing more at all

(bis)

If you've got no kind words to say,
Carry no wright, let the weight carry you

(bis)

If you've got no kind words to say,
You should say nothing more at all
