i'm blowing back the kisses i blew to you before, blew  
to you before.

and i'm tearing up the letters saying i adore, saying i  
adore you.

and i will wait for the real thing  
i will wait for the real thing.

so you, you could wear a dress out, chin would hit the  
floor, my chin would hit the floor.

and you could flutter those lashes i've been trying to  
ignore, been trying to ignore you.

and i will wait for the real thing  
i will wait for the real thing

you might as well quit if you haven't got it.
