Well I'm back out on the road again lost among the city  
lights  
Were stepping it up harder just to make it to the show  
tonight  
With yesterday's antics still playing in my head  
Another day's upon us so let's do it all again

It's just another town another days another year  
We got to wait 'til five o'clock before we crack a beer  
Somewhere it's got to be 5 o'clock, yeh thays what we  
say  
It's all just a game to keep ourselves sane

Drink smoke drink smoke this is what we do  
Drink smoke drink somke playing it for you

Born to roam here we go yeah  
Another city and another day  
The road is my home all alone yeah  
Out on the streets is where we gotta stay

Wellwe barely see the light of the sun with all the  
midnight fun  
It's coming down on my head I feel it  
But the music is part of my soul  
So I jump back in headfirst my arms around it

Outside tonight I don't think there's anything going on  
around here
