You see you did me over
Played me to the end
You took everything
I had no feelings left to spend
I said you're not a friend
You're just a fiend
It's time I opened my eyes to see that
You my darling
Don't deserve my sympathy

You broke my heart
Spit on grandma's grave
Tore my life apart
Never left the same

Before you waste more of my time
Im gonna give you little piece of my mind...
I'm sending you down the road & i'll be fine...

Ruhibonol
You gave it to me
I woke up in a tub of ice
A note & no kidney

I said you're not a friend
You're just a fiend
It's time I opened my eyes to see that
You my darling
Don't deserve my sympathy

You soiled my sheets
And skinned my cat
You stole my teeth
And pawned my gat
