When we first where, things where right on track.
Listen a while and I'm gonna take you back.
Back to the days when you where mine.
We would away and everything would be fine.

So where is your heart where is your soul.
Tell me where did go.
All of the time you've been away oh I want to know.

Are you gonna change your ways darling.
are you gonna change your ways.
(tell me)
Are you gonna change your ways darling.
Are you gonna change your ways.

Are you gonna change your ways darling.
Are you gonna change your ways.

Sat by the water side.
Oh where we used to hide.
(ohhhh)

All in good faith I think of you.
Crossing my mind only when I want you to.
I know its hard and I must resist.
Cause in an other lifetime maybe we'd exist.

So where is your heart where is your soul.
Tell me where did go.
All of the time you've been away oh I want to know.

are you gonna change your ways darling.
are you gonna change your ways.
(tell me)
Are you gonna change your ways darling.
Are you gonna change your ways.

Are you gonna change your ways darling.
Are you gonna change your ways.

Down by the water side.

Oh where we used to hide.
Sat by the water side.
Watching the waves go high.

Are you gonna change your ways. [repeat]
