Lying awake again and I don't know what's happening  
I'm setting sail on unknown seas  
And I'm haunted by insecurities  
I'm standing on the edge of a dream  
Colliding with the light of this real life scene  
And I don't feel a thing until the pain comes  
And when it's all said and done would I just cut and run  
Sometimes I'm so numb I don't know  
If it happened tonight would I stand and fight  
Or would I just let go

Whatcha gonna do when it's all on you boy  
Whatcha gonna say when it's no no more  
Whatcha really gonna do when it's all through boy  
Whatcha gonna say when it's over now

Maybe it's the time of year  
But I don't feel my soul shine  
Locked up inside and floating on the cheap wine

But there's a smell in the air  
And I swear somethings there  
Blowing in on a California night  
So if it's all gone and I can't go on  
Well I'm sure as hell ain't ready to die

Whatcha gonna do when it's all on you boy  
Whatcha gonna say when it's no no more  
Whatcha really gonna do when it's all through boy  
Whatcha gonna say when it's over now
