It's after midnight  
And I'm up wide awake  
And wondering where to go  
Sipping on Johnnie  
Smoking cigarettes as the rush  
Arrives and takes control

It comes and goes  
It comes and goes  
And where it lands nobody knows  
It comes and goes  
It comes and goes  
And where it lands nobody knows

I'm just showing  
How much I  
How much I love  
And miss you now  
I'm just showing  
To let ya know  
That I love and miss you now

Not trying to be cool  
I'm hopeless and lonely  
For you  
No matter what I do  
I'm tripping all day  
All night  
Always

I'm just showing  
How much I  
How much I love  
And miss you now  
I'm just showing  
To let ya know  
That I love and miss you now

It comes and goes  
It comes and goes  
And where it lands nobody knows

It comes and goes  
It comes and goes  
And where it lands nobody knows

I'm just showing  
How much I  
How much I love  
And miss you now  
I'm just showing  
To let ya know  
That I love and miss you now

Not trying to be cool  
I'm hopeless and lonely  
For you  
No matter what I do  
I'm tripping all day  
All night  
Always

It comes and goes  
It comes and goes  
And where it lands nobody knows  
It comes and goes  
It comes and goes  
And where it lands nobody knows  
It comes and goes  
It comes and goes  
And where it lands nobody knows  
It comes and goes  
It comes and goes  
And where it lands nobody knows
