don't touch me
don't break my heart
don't touch me
and tear me apart

now forever will be chain
my life won't never be the same
begging for my mind will go
fighting on the guilty..
they say aren't you a pretty girl
ask to the boy don't say a word
no need to worry it won't hurt
mhm

Chorus:
don't touch me
no, don't break my heart
don't touch me
don't you tear me apart

now forever will be chain
my life won't never be the same
through the years and ..will this pain that disappear
they say aren't you a pretty girl
it won't hurt, no

2 x Chorus:
don't touch me
no, don't break my heart, don't break my heart
don't touch me
don't you tear me apart

getting it off from me,
getting it off from me
getting it off from me..
...
getting it over

I forever will be change
