Can't believe that this is happening  
Something's taken over me  
I can't seem to shake the thought of you  
And I'm in love so sweet

If you let me try  
I'll be sure to satisfy  
All your aching wants and needs (Baby)  
Do the best I can (Make you)  
Make you understand  
That together we should be

So . . .

Spend the night, if you like  
And I'll be good to you (So good)  
Spend the night and baby you might  
See I'm the one for you (For you)  
Spend the night, it's alright  
Baby I want you to  
(Baby)  
Spend the night  
Spend the night with me

Girl I know it may be hard to see  
That I simply want to please  
You can tell me anything you like  
Baby your secret is safe with me

Open up your heart (Open up)  
This could be the start (Oh)  
Of a love so heavenly (Love so heavenly)  
Let me kiss your smile (Your smile)  
Make it worth your while (Whie)  
Baby spend the night with me (Spend the night, the  
night with me)

Spend the night, (Yeah, yeah) if you like  
And I'll be good to you (Make it so good)  
Spend the night and baby you might  
See I'm the one for you (See that I'm the one)

Spend the night, it's alright  
Baby I want you to (( really want you to)  
Spend the night  
(Spend the night with me)

Yeah, yeah

Spend the night with me baby (Girl spend the night)  
Spend the night with me (Oh yeah)  
Spend the night with me baby (Gonna spend the night)  
Spend the night with me

(Yeah, yeah)

If you let me try  
I'll be sure to satisfy (Baby, baby)  
All your aching wants and needs (Every little aching  
want and need)  
Let me kiss your smile (Your smile)  
Make it worth your while (Baby)  
Baby spend the night with me  
(Spend the night, the night with me)

Baby, yeah, spend the night  
Make it so good  
(Spend the night)  
Mmmmm, see that I  
(Spend the night)  
So good  
I want you to  
(Spend the night)  
Spend the night with me

Yeah, yeah, yeah

Spend the night, if you like  
And I'll be good to you  
(Oh, baby spend the night)  
Spend the night and baby you might  
See I'm the one for you  
(Oh baby spend the night)  
Spend the night, it's alright  
Baby I want you to  
(Baby)  
Spend the night  
(Spend the night, spend the night, spend the night with  
me)

(Yeah)

Spend the night if you like (Yeah, yeah)

And I'll be good to you (Yeah, baby)  
Spend the night and baby you might (You might)
