Yeah...lovely, lovely, oooh ooooo du dud

Verse 1

A bitter night

A starry pill

I'm gone end up loving the way I feel

The sun is shining

Stick me up here

One touch leads to much you know the deal

Verse 2

The purple kind

A heated chill

I'm gone end up bringing the morning in

On a high

Standing still

No use coming down with time to kill

Chorus

I feel it all over me - yeah yeah yeah

yeah yeah yeah yeah yeah yeah yeah yeah

I feel it all lovely - yeah yeah yeah

yeah yeah yeah yeah yeah yeah yeah yeah

Verse 3

The mood is right

and we can build

I'm gone end up bringing the mood to tears

Up and fly

A spirit thrill

If the Holy Ghost don't save ya, I know love will

Repeat chorus

yeah, yeah, yeah, eeeeeee, heeee heeee heeee,

heeeeeee
