(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop

(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)

Yo, I'm the microphone champi-on
Any stage you get me on or let me on
My ambi-once is one step beyond
Then my song is a correspond with the audi-once

Experi-once the Renaiss-once
My reson-once is really on, wonder Twin powers
activate
Put the tape on, I can take on any shape, form
Size or weight, shape of Activation Voltron

Imagine all the microphones in the world I spit it on
Imagine the next MC step to me gettin' shitted on
You can even ask the girl about the bed we did it on
I hit it from the back to Marvin Gaye's, 'Let's Get it On'

Don't get it wrong, give it a thong, she put it on, in
uniform
Sippin' Don Periogne, Shawn Don, fillet mignon
Long horns stick and move until the cameras come on
Until the cameras are gone from there on, dusk till
dawn

Get your grind on
Now put your panties back on
Thank you for your cooperation
Rahzel, on your Hot 97 station

(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)

Oh what's wrong Rahzel?
You're trying to sing?
Don't worry baby, when you grow up
You're gonna be a star!

Yo, I'm one of the illest vocalists to ever turn the mic on
Let me download my sound, catalog the microns
Turn your website on
WWW dot transmission d-d-dot sitcom

Got your girl buck naked on the cover, right on
3-D visually enhanced on your CD-ROM
EP-ROM, erasable, programmable and only
Memory accessible when you're PC's on

We can battle for your soul like Ki Yong Song
We can battle for your girl like Rae Dawn Chong
Yo you're mother's so fat she wears a three piece
thong
Made of polyester-cryllic, rip stop nylon

With a Skully cap that stretches three feet long
98 degrees outside, with a sheepskin on
I play you and your mom like Donkey Kong
Check this out

I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop

(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)

Yo we got the hottest, wildest fiber optic
Double O 7 James Bond, talkin' in your watch shit

Watch this, Baywatch shit
Topless, there's no way you could stop this, spotless

Keep the flame up in the cockpit or be
[Incomprehensible]
On some New Kids on the Block shit
My worse man is nothin' but profit
While you keep secrets and gossip

The Officer, the Gentleman
Chiseled out, President, call me Lou Gosset
This is for the players who pop shit
Frontin' like you got shit, PHD, without the doctrate

If it wasn't for break beats, you'd be rhymin' over my
shit
Often transformin' on stage, the Super DJ
2000 beats per minute, with an arcade
Round 1 fight, Street Fighter 3, pro tours with an
upgrade

Call the paramedics to Fed-Ex some first aid
My cahlistenics been magnetic since first grade
We can battle in the doorway or the hallway
We can take the shit to the street, off and on Broadway

We can battle where you buy your
Cheap ass clothes in front of Comway
We can battle in the passenger seat
Of your motherfuckin' Hyundai

I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop

(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)
I really don't care about those other carbon copies
Don't stop Bobby, don't stop
(I can't stop)

We're movin' on
It's time to get down
We're movin' on
It's time to get down

We're movin' on

It's time to get down
We're movin' on
It's time to get down

We're movin' on
It's time to get down
We're movin' on
It's time to get down
