Yeah, show you right
Come on

Sing a lang sang, sing a lang song
Sing a lang sang, sing a lang song
Sing a lang sang, sing a lang song
Twang, twang, tay tang, tong

I'm from the South
I'm a Southern Girl
Home of the burnin' church
Don't know much about the world

Home of the pocket stones
Home of the booty songs
Home of the finger wave that lasts
All night long

Home of the "on and on"
Home of the dominoes
Home of the two piece and the cat fight
Home of the teeth that's gold

Home of the never miss
Home of the platinum hits
I'm a Southern girl
(Southern girl)

Countrified
Everything I eat is fried
Gotta Southern drawl
I'm so country y'all

Well, that's way down South
Yeah, it's way down low
Check my Southern fried style
And my Southern flow
(Southern girl)

Countrified
I like my tofu fried
Got about a hundred friends

That ain't caught on the trends

Don't know about the internet

(Mm-hmm)

Don't know about the radio

(Mm-hmm)

Don't know about the television

All I know is 'bout my flow

My kinfolk sent me out

To make money for the house

Hooked up with my boy Rahzel

I sure hope the record sell

(Southern girl)

Southern girl

And I'll rock your world

Fly as a bumble bee

(Buzz)

Can't nobody fuck with me

I'm a Southern girl

From way down South

Got a dirty wave

'Cause I got a dirty mouth

Dirty South

Southern girl

Twain tiki lang, tanga tang tiki tiki

Southern girl

Twain, twain, twain, ta tong

Sounding like a

Southern girl

Twain tiki tang, tang tatang ding ding

(Southern girl)

Dang d-dang ding dong, Big D

Lil' A, double L.A., Big D

Lil' A, double L.A., Big D

Lil' A, double L.A., Big yes

Mmm, mmm, mmm

Yes sir, get them chickens out the yard
