My last wish... is to own you, control you, exploit you.
Your existence is now in my hands. as I hunger, how I
Hunger, for unlimited justice, I want you to experience
Their death. the blood, your fate is in your hands, when
The flesh is in your mouth. now I am the
slaughterhouse
And you are my cattle who I sentence to death. I'll
Remove you from birth and confine your every
movement.
Inject you will drugs as you drown in a liquid diet.
Split open your stomach and watch your organs spill in
a
Pool of blood. and how I smile at your death as I count
The profit. when you knowingly violate another being's
Rights then I won't hesitate to violate your rights in
Return. so we'll see how your actions change when you
too
Are placed - under the ax. I call it justice, an eye for
An eye. revenge is sweet and so is your blood as it
Trickles down my throat.
